Nov. 1st, 1926

Re: John Farrell, who used to work for William and
Beach Leupp

Mr. Thompson instructed operative to locate
this man and stated that he had information that he
had worked in the cigar business.

Operative went to the office of the General
Cigar Company at Somerset St. and inquired if Farrell
was working and was informed that he was home sick
that day. Operative was given his home address, which
is #183 Morrell St.

Mr. Thompson wants to accompany operative
when he locates this man to interview him.
